Blackpool Sixth Form College Expects...

Our Values:

Inspiring learning, developing mind and character, building your future.

Our Values:

The core values underpin everything we do as a College:

- ▶ **Respect** - for ourselves, for others, for the environment
- ▶ **Excellence and High Aspirations** - being the best we can be, by striving to be more
- ▶ **Support** - helping everyone to succeed
- ▶ **Inclusion** - valuing everyone equally and striving to overcome any barriers to success
- ▶ **Global Citizenship** - being active in improving our world and broadening horizons
- ▶ **Enthusiasm** - learning because we love to learn, teaching because we love to teach
- ▶ **Integrity** - acting according to our values and promises

RESPECT

We will

- Treat everyone with respect, courtesy and fairness.
- Recognise and respect the rights and beliefs of others
- Listen to your views and communicate with you effectively
- Provide you with a safe and attractive learning environment

You will

- Treat other students, staff and visitors with respect and courtesy
- Be tolerant of people's views and act without prejudice
- Take care of your college and local environment, place all litter in the bins provided and return borrowed items in good condition
- Work together with fellow students and staff and be mutually supportive

EXCELLENCE AND HIGH ASPIRATIONS

We will

- Provide the best learning and assessment so you can achieve your full potential
- Provide both written and verbal feedback that identifies the strengths of your submitted work and gives clear guidance on how to improve
- Help you to organise your work so that it is completed on time and to a good standard
- Offer high quality careers advice and guidance on career options after College to enable you to make informed choices and be successful in your future

You will

- Have high expectations of yourself and of your College, completing work to the best of your ability
- Attend all timetabled lessons on time and plan for holidays outside term time
- Prepare for lessons by completing all directed study tasks to a high standard and submit work to agreed deadlines
- Ask for help and advice whenever you feel you need it and respond to help and support in a proactive way

SUPPORT

We will

- Guide you through the enrolment process so you choose the most appropriate courses
- Make your success our first priority and to provide support in order to meet your needs
- Give you appropriate information, advice and guidance about options after College, including opportunities to develop essential employability skills and support with applications to higher education, employment and further training
- Ensure that you are aware of all the support available in College

You will

- Share responsibility for your own learning and access support when needed to help you achieve your personal best

...you to fulfil the terms of your student agreement

- Value other students and staff in their learning and teaching, and support them to achieve their goals
- Contribute fully to group work and be mutually supportive
- Ensure that you do not distract other students from their learning in lessons and in other areas of College

INCLUSION

We will

- Value the diversity of staff and students
- Recognise that we are all individuals and seek to understand differences
- Reduce barriers to learning for all students and ensure that support is put in place to meet individual needs
- Challenge prejudice, discrimination and harassment wherever it occurs

You will

- Recognise and acknowledge other students' differences and varying needs
- Value diversity and treat people without discrimination
- Choose not to engage in or accept bullying, intimidation or harassment
- Report any prejudice, discrimination or harassment

GLOBAL CITIZENSHIP

We will

- Create opportunities for you to develop your citizenship skills so you can play a full and active part in College

- Involve you in the decision making processes within College and create student leadership roles
- Promote greater understanding of local and global issues throughout the curriculum
- Provide enrichment activities that will allow you to make a contribution to the local, national and global community

You will

- Act as an Ambassador for your College at all times
- Play a full part in College life, making the most of the opportunities given to you
- Prepare fully for your life after College so you can be a responsible and active citizen
- Recognise your own worth and the contribution that you make

ENTHUSIASM

We will

- Show a commitment and interest to all students
- Be passionate about helping you succeed
- Make fun and enjoyment an essential part of the learning process
- Recognise and celebrate your achievements

You will

- Be passionate about your own learning
- Display a positive attitude
- Make a full contribution and participate in all learning/enrichment activities
- Help others to enjoy and succeed at College

INTEGRITY

We will

- Act according to the core values described in this document
- Have open and honest communication to help you improve
- Make fair and transparent decisions based on values, standards and principles
- Challenge behaviour that fails to meet the core values and expectations

You will

- Act according to the core values described in this document
- Give honest and open feedback to help College improve its provision
- Challenge behaviour that fails to meet the core values and expectations
- Expect behaviour that fails to meet the core values and expectations to be challenged
