

## Design your own LGBT+ Sports Kit

Founded in 1982 by former Mexican decathlete Tom Waddell and Rikki Streicher the Gay Olympics (also known as the Gay Games) runs every 4 years to promote worldwide sexual diversity, self-growth and participation in sport.

This year the LGBT+ Group had chosen to support Football v Homophobia. As events were cancelled due to COVID19, we will be continuing this support next year.

**Use the template to design an LGBT+ sports kit using the colours of an LGBT+ flag of your choice.**
