Graphic Design

Welcome and hello to all new graphic design students.

We have put together a variety of websites and inspiring videos you might want to look at and try before you start with us in September. The first few will be extremely beneficial before you start with us at the college. We have also included samples of current students work for you to see what you will be doing when you join us.

Please have a go and we look forward to seeing you soon!

Social media a great tool to showcase your work, network and learn new skills

- Tiktok and Instagram have some great photography tutorials, have a look over the Summer and great experimenting. Save the ones you like to use later in the course.

Galleries:

Try to visit galleries - this can be an online search, some amazing work online to discover here are a few that are local to us:

- Tate

- Harris
- Grundy
- Manchester City Gallery
- Bluecoat
- Walker
- Openeye
- Cube
- Abbott Hall

TASK

Complete two Online or real Gallery visits, some good links below to look at.

- <https://openeye.org.uk/whatson/peer-to-peer/> - Liverpool if you are visiting over Summer
- <https://phmuseum.com/exhibitions/presence>
- <https://www.worldphoto.org/virtualexhibition2022>
- <https://www.thegrundy.org/whats-on/exhibitions/> - GO TO THE GRUNDY ART GALLERY IN BLACKPOOL IT'S FREE AND EASY TO GET TO.

Create a research page about your primary visit add evidence such as photos, leaflets etc:

: Consider writing a reflection or analysis of the exhibition and how it could influence your photography. This can help you process your thoughts and articulate your insights. Contextual visits also support your A01 marks.

Things to consider to write about:

- Where did you go and why?
- What did you get out of the day?
- What inspired you?
- What things did you focus on when photographing?
- How will you use this primary evidence to develop your project?

Explore www.magnumphotos.com and explore historical documentary greats.

COMPETITIONS

Look at photography competitions you can enter. It's only a couple of clicks to upload and send.
